FLIGHT ATTENDANT CAREER TRAINING - FAQs

WHAT WILL THIS COURSE GIVE ME?

Aviation Australia is committed to delivering excellence in aviation training and developing your skills as a professional, when it's time to graduate you'll be an inspired, disciplined, confident and committed individual, with a valuable set of transferable skills and knowledge.

The course is designed to international standards, to deliver vital core skills of the initial training provided by airlines to enhance your chances of success. Aviation Australia graduates achieve a portfolio of relevant certificates upon graduation and feel valued, confident and airline ready.

WHAT ENVIRONMENT DO I TRAIN WITHIN?

Courses are conducted within multimillion dollar, state of the art, airline training facilities.

With this we utilise the very same training aids and equipment that airlines use to train their cabin crew and pilots. Appreciating this equipment and technology is not cheap to neither purchase nor maintain, our competitive fees encompass the operational requirements of the course delivery, alongside the utilisation of phenomenal facilities in order to be able to provide the real-world experience that Aviation Australia is renowned for.

I AM UNABLE TO PAY MY COURSE FEES UPFRONT, DOES AVIATION AUSTRALIA HAVE PAYMENT PLANS TO ASSIST ME?

There are several payment options available to assist you with paying the full cost of the course before you graduate. The sooner you enrol the longer you have to pay the course fees off. Payment can be made via credit card, cash or EFT with direct debit and deposit. Please **contact us** to discuss which payment option is most suitable for you.

AM I DOMESTIC OR INTERNATIONAL STUDENT?

If you hold Australian or New Zealand Citizenship, Permanent Residency or Bridging Visas you are a Domestic Student.

All other students are International Students and must meet the International Entry requirements.

AM I GUARANTEED EMPLOYMENT?

As with any University or TAFE we are unable to guarantee employment, however we do have an Employment Service team and Job Search Database available to all students and graduates. This team is there to best assist with the preparation of resume and cover letters, interview techniques and job search skills. The database enables email updates of airlines and or associated industries that are recruiting for students/graduates to review and apply to.

CAN I DO THIS COURSE IF I JUST WANT TO BUILD MY SKILLS AND KNOWLEDGE?

Absolutely! Aviation Australia has had students undertake the training for the purpose of gaining confidence and transferable skills in a professional way. There is no pressure to pursue a career as a Flight Attendant and you will still have support from our employment services team.

Whilst our course focuses on preparing students for a career as a Flight Attendant, many of the skills acquired are transferable into other industries such as hospitality, travel and tourism.

DO I NEED TO WEAR A UNIFORM WHILE STUDYING WITH AVIATION AUSTRALIA?

All Aviation Australia students are required to wear a uniform that reflects the attire of a Flight Attendant. It is expected that the student complies with the grooming standards set by Aviation Australia for the duration of their training and when attending airline interviews.

The uniform is purchased by the student at their own expense from a store of their choice and is worn from day one throughout the duration of the course.

Aviation Australia will provide a scarf or tie to complete the uniform which is reflective of the presentation standard required by airlines in the industry.

Upon achieving and graduating from your course you will be presented with your graduation 'wings'.

ENGLISH IS NOT MY FIRST LANGUAGE; CAN I STILL DO THE COURSE?

If English is not your first language, an English proficiency test may be required.

A phone interview may be conducted prior to enrolling and undertaking your course.

I HAVE QUESTIONS IN REGARDS TO MY HEIGHT, TATTOOS, AGE, MEDICAL SITUATION AND WHETHER I CAN GAIN EMPLOYMENT IN AUSTRALIA.

Aviation Australia does not have a **specific height, reach, medical, maximum age, residency/citizenship** or **visible tattoo** requirement upon enrolment. These requirements are airlines specific.

Some airlines may also require evidence that you are able to swim 50+ meters unaided as part of the industry entry requirements, prior to employment.

Aviation Australia will do its best to prepare you for the aviation industry. In preparation, we recommend that students study their airline of choice in relation to their specific requirements.

I AM NOT A NEW ZEALAND OR AUSTRALIAN PASSPORT HOLDER, AM I ABLE TO APPLY FOR EMPLOYMENT WITHIN AUSTRALIA?

Domestic and International airlines based in Australia, usually require applicants to hold either an Australian/New Zealand Permanent Residency or Citizenship. Many Aviation Australia students go onto secure employment with a number of international airlines based around the world.

VET FEE HELP

The Flight Attendant Career Training course is not eligible for Vet-Fee help assistance. Aviation Australia payment plan options are available.
